Dear Nimal,

Nexhe Digital PVT LTD is very pleased to offer you the position of Fresher MERN (MongoDB Express React Node) developer in our technology Department. Your background and skills make you an ideal fit for our tech team.

Your starting date will be February 2nd .Before joining you should complete the medium level understanding of React Native also . First three months will be considered as Temprory position / Probation Later on the the salary will be decided based on the performance . During probation your working location will be at Thrissur. You have to contribute your laptop for the work. The first 6 - 12 months you might required to work over night along with normal day shifts

If you choose to accept this job offer, please sign and return this letter at your earliest convenience. Once your acceptance has been received

Please let me know if you have any questions or concerns.

Sincerely,

Anish Menon

CEO/CTO
